DEMOLITION PERMIT DECLARATION

Section 19827.5 Health and Safety Code

Re: Permit # _____

Please fill in one of the following statements as applicable to your situation:

I, _____, property owner/contractor hereby declare that the Asbestos Notification is not applicable to the proposed demolition project as there are no asbestos materials in the structure or building to be razed.

I, _____, property owner/contractor hereby declare that there are asbestos material in the structure or building to be razed.

I, _____, property owner/contractor am not sure if the structure or building to be razed contains any asbestos material. Therefore I am hereby advised to acknowledge that the demolition permit cannot be issued until the Health and Air Pollution Department have cleared the project for demolition. Also, that said Departments may require testing at my expense prior to their approval of the Demolition Permit issuance.

Every applicant for a demolition permit shall complete this Declaration relevant to hazardous air pollutants upon application for a permit.

In lieu of this declaration, you may submit a copy of each written Asbestos Notification regarding the building that has required to be submitted to the United States Environmental Protection Agency

I certify that I have read this declaration and state that the above information is correct. I agree to comply with all County Ordinances, State and Federal laws relating to the demolition, and hereby authorize representatives of the City and County to enter upon the property for inspection purposes.
