## DID YOU KNOW?

Many people assume that pizza boxes are recyclable. In fact, most boxes have recycling symbols on them and are traditionally made from corrugated cardboard. The cardboard itself is recyclable. **However**, grease and cheese from pizza soils the cardboard and makes the box non-recyclable. Food is one of the worst contaminants in the paper recycling process. Grease and oil are not as big of a problem for plastic, metal and glass, as those materials are recycled using a heat process. But when paper products are recycled, they are mixed with water and turned into a slurry. Since water and oil don't mix, grease from pizza boxes causes oil to form at the top of the slurry, and paper fibers cannot separate from oils during the pulping process. Essentially, this contaminant causes the entire batch of recycled paper to be ruined. This is the reason that other food related items are non-recyclable (**used** paper plates, **used** napkins, **used** paper towels, etc.). We encourage Tehama County residents to remove the contaminated portion of the pizza box and recycle the remainder of the box. Every little bit helps reduce the amount of trash that fills our Tehama County Landfill.

If you have any questions, please call the Tehama County Solid Waste Management Agency Monday – Friday, 8:00 AM to 4:30 PM at 530-528-1103.

## BEVERAGE CONTAINER RECYCLING... DONE RIGHT

No matter how you recycle, the County thanks you for your efforts. Here's a tip to maximize your recycling effort the next time you finish a

refreshing, cold beverage:

- Take your aluminum, glass and plastic beverage containers to your local recycling center for a **cash refund** (5 ¢ for containers less than 24 oz. and 10 ¢ for containers 24 oz. or larger).
- Toss your rinsed beverage containers into your **blue curbside recycling cart** with your other recyclables.

No matter what, you'll be conserving precious resources. For more information on beverage containers eligible for a cash refund, please visit [www.calrecycle.ca.gov/bevcontainer/](http://www.calrecycle.ca.gov/bevcontainer/).

### Questions?

Please call the Tehama County Solid Waste Management Agency at 530-528-1103, visit <http://www.tehamacountylandfill.com> or email us at [tehamacountyrecycles@co.tehama.ca.us](mailto:tehamacountyrecycles@co.tehama.ca.us).

As always, please **do not forget to recycle!**  
It's good for the County and good for the wallet.
