Daylight Savings Time Begins

Sunday, March 10th is the date to switch the clocks and consider switching batteries from alkaline to rechargeables. All batteries are recyclable! A few reminders:

1. Set clocks forward an hour

- 
2. Change smoke alarm batteries
 3. Properly handle spent batteries. Check out how at tehamacountylandfill.com
 4. Replace single-use batteries with rechargeables. Find out why you should make the switch at calrecycle.ca.gov.
