Free Electronic Waste Collection Event

The Tehama County Sanitary Landfill Agency will conduct a Free Electronic Waste Collection Event this Saturday, May 25th from 8:00 a.m. to 12:00 p.m. at the following locations:

- Red Bluff - Tehama County Department of Social Services at 310 South Main St.
- Corning - Park and Ride Commuter Parking Lot, northeast corner of Third and Solano Streets

Televisions, computer monitors and equipment, microwaves, DVD/VCR players, cell phones, and other *small* electronic waste (e-waste) will be accepted free of charge during the event. There is no quantity limit on e-waste accepted.

Don't miss this great opportunity to safely dispose of your old electronics! E-waste is of concern largely due to toxicity (lead, mercury and cadmium) of some of the substances if processed improperly. E-waste collected will be recycled. Recycling such items saves landfill space and protects our environment. For details about the acceptance of electronic waste please call the Tehama County Landfill Agency at 528-1103 or visit the Agency's website at www.tehamacountylandfill.com.
