Free Passenger Tire Drop Off Event

The Tehama County Solid Waste Management Agency (Agency) will conduct a free Passenger Tire Drop Off Event from Monday, April 8th to Friday, April 12th during the hours of 8:00 a.m. to 4:30 p.m. at the Tehama County/Red Bluff Landfill; 19995 Plymire Rd., Red Bluff. While the Agency typically holds a one-day collection at multiple locations, for this event Tehama County residents must make an appointment to drop off their tires. To make an appointment call 528-1103, appointments must be made prior to dropping off tires. This event also replaces the one-day collection event that had previously been scheduled for Saturday, April 13th. Please do not bring tires to any location other than the Tehama County/Red Bluff Landfill.

The Agency encourages Tehama County residents to dispose of your old tires during this week. Tires collected will be recycled into waste tire derived products. This free event will accept passenger tires from Tehama County residents only. There are restrictions to the event:

- Can haul up to 9 tires without exemption, 20 tires with exemption
- MAXIMUM of 20 tires will be accepted
- Tires must be **Off-the-Rim**
- No large truck tires, equipment tires, off-road tires
- No tires larger than 17"
- No oil, paint, batteries, appliances, or other items
- No tires from waste tire generating businesses

Televisions, computer monitors and equipment, microwaves, DVD/VCR players, cell phones, and other *small* electronic waste (e-waste) is also accepted free of charge at the Tehama County/Red Bluff Landfill. There is no quantity limit on e-waste accepted. For details about exemptions, the acceptance of passenger tires, or to make an appointment please call the Tehama County Solid Waste Management Agency at 528-1103. For information regarding disposal of tires not accepted during this event contact Waste Tire Products at 865-4588. This free passenger tire recycling event is paid for by a grant from the California Department of Resources Recycling and Recovery (CalRecycle).
