COUNTY OF TEHAMA
LEGAL NOTICE
ADVERTISEMENT FOR BIDS

NOTICE IS HEREBY GIVEN that the County of Tehama will receive sealed bids for Liquid Asphalt & Asphaltic Emulsions (CSS-1h, PMCRS-2h, and PMRE (Styra-Flex) Rejuvenating Emulsion or equivalent), in truckload quantities, for the period commencing on the date of Board of Supervisors approval through January 31, 2021 inclusive, in accordance with the information and specifications on file in the Office of the Tehama County Purchasing Agent, 727 Oak Street, Red Bluff, CA 96080, for the following:

APPROXIMATELY
2,000 TONS PMRE
2,000 TONS PMCRS-2h
500 TONS CSS-1h
(COMBINED TOTAL OF 4,500 TONS OF LIQUID ASPHALT)*

*Bidders may elect to bid on any or all products listed above.

Bids must be received at the Office of the Purchasing Agent, 727 Oak Street, Red Bluff, CA 96080 not later than 3pm on April 1, 2020. Bids shall be submitted in sealed envelopes and marked "**LIQUID ASPHALT.**"

Tehama County reserves the right to reject any or all bids and/or waive any irregularity in any bid received.

By: Debbie Schmidt, Deputy Purchasing Agent

**Please publish in the Daily news on March 18, 2020. Send proof of publication and statement to Tehama County Purchasing Dept., 727 Oak St., Red Bluff, CA 96080.

COUNTY OF TEHAMA, State of California
SPECIFICATIONS FOR LIQUID ASPHALT/ASPHALTIC EMUSSIONS

Liquid Asphalt/Asphaltic Emulsions shall conform to the provisions of the State of California, Department of Transportation Standard Specifications for the State of California, May 2010, Section 93 Liquid Asphalts and 94 Asphalt Emulsions.

The County reserves the right to test and inspect all orders prior to acceptance. The quantities on the "Bid Schedule" are approximate only and are shown as a basis for comparison of bids only. The County of Tehama does not, expressly or by implication, agree that the actual amount of the purchases will correspond therewith, but reserves the right to increase or decrease the amount as deemed necessary by the Director of Public Works.

Types of Liquid Asphalt/Asphaltic Emulsions for which bids are being solicited are CSS-1h, PMCRS-2h, and PMRE/Styra-Flex Rejuvenating Emulsion or equivalent.

The PMCRS-2h and PMRE materials will be purchased from the same supplier when used for a roadway double chip seal project to insure material consistency and compatibility. CSS-1h will be spread at a rate of 1:1 dilution ratio with water.

The term of this bid shall be effective on the Board of Supervisor (Board) approval date through January 31, 2021, inclusive. All material price bids shall be effective on the Board approval date.

Each responsive bid will be placed on the County's approved bid list, ranked from lowest to highest. For each road repair and maintenance project during the term of this bid, the County will determine whether the lowest bidder on the bid list has the required material available at the time and in the quantities needed for the project. If so, then a sub-award will be made to that bidder at the bid price on the approved bid list. If the lowest bidder does not have the required material available, the County will repeat the process with the next lowest bidder on the approved bid list and thereon, until a sub-award is made to the lowest bidder on approved bid list that has the required material available. The County shall have no obligation to make any purchase from any bidder until a written sub-award is made by the Purchasing Agent or designee. Nothing in this Proposal shall be construed to require the County to purchase any asphalt material types from any bidder that are not included within this proposal under any circumstances.

Bids and bid price per ton shall be for furnishing, delivering and spreading Liquid Asphalts and Asphaltic Emulsions within Tehama County. Bid price per ton shall be measured and paid by weight under the specifications requiring its use not including the weight of water, if used.

Bids will be evaluated and ranked based on an average of one hundred (100) tons of product plus 10 hours for two (2) spreader trucks at the bid hourly spread rate.
