**DID YOU KNOW?**

Did you know that you can recycle your old mattress **for free** at the Tehama County/Red Bluff Landfill? As our county's population continues to grow, so does our waste. By recycling our mattresses, we are helping to keep bulky and hazardous materials out of our landfill.

**Mattress Recycling Facts:**

- Over **30 million** mattresses are sent to landfills each year.
- Mattresses cover 27 to 60 cubic feet and average 60 lbs.
- Mattresses decompose slowly, often taking **over 80 years** to break down.
- Mattresses absorb hazardous materials and **store flammable pockets of air.**
- At Least 90% of your old mattress can be recycled

**Where Do the Recycled Parts Go?**

- Foam, cotton and felt from mattress padding can be **repurposed into carpet padding.**
- Steel from metal springs can be melted and repurposed.
- Wood is sent to a chipper and **repurposed to landscaping mulch.**
- All of these components, once broken down can be sold to prospective buyers for **new goods and products.**

For more information on where to recycle your mattress in Tehama County or other programs available to Tehama County businesses and residents, visit [www.tehamacountylandfill.com](http://www.tehamacountylandfill.com) or call 528-1103.

**Questions?**

Please call the Tehama County Solid Waste Management Agency at 528-1103, visit <http://www.tehamacountylandfill.com> or email us at [tehamacountyrecycles@co.tehama.ca.us](mailto:tehamacountyrecycles@co.tehama.ca.us).

As always, please **do not forget to recycle!**  
It's good for the County and good for the wallet.
