See [Upcoming Events](#) for the Fall & Winter 2015-2016 calendar of collection events.

## DID YOU KNOW?

From Thanksgiving to New Year's Day, household waste increases more than 25%. This year, cut down on waste (and save money) by practicing the four R's (**reduce, reuse, recycle, rebuy**). Here are some tips to get you started:

- **REDUCE** – buy and use less! The U.S. Department of Agriculture estimates that Americans will throw away more than 200 million

pounds of edible turkey meat this Thanksgiving holiday. Try planning your meal accordingly. Purchase the right amount of food for your expected number of guests. You'll save tons of money and minimize how much you end up wasting.

- **Choose to REUSE.** Thanksgiving comes every year! Instead of tossing your seasonal decorations, save them for next year, give them to a friend, or donate items in good condition.
- **RECYCLE.** The simplest way to cut down on waste (and save you expensive garbage bills) is to recycle. Remember, you can recycle more than just bottles and cans! Visit [www.tehamacountylandfill.com](http://www.tehamacountylandfill.com) for a complete list of what can be recycled in Tehama County. Don't have a recycling tub or cart but want to start recycling? Call 528-8500 to schedule your recycling tub or cart delivery (base recycling receptacle size is dependent on your area of residence) at no additional cost to you.
- **ReBUY.** When shopping for items, purchase items that contain post-consumer recycled content. After all, it's not recycling if nobody buys the end (recycled) product.

---

## **BEVERAGE CONTAINER RECYCLING... DONE RIGHT**

No matter how you recycle, it'll save you (or pay you) precious dollars on your waste disposal bill. Consider these two recycling options the next time you finish a refreshing, cold beverage:

- Take your aluminum, glass and plastic beverage containers to your local recycling center for a **cash refund** (5 ¢ for containers less than 24 oz. and 10 ¢ for containers 24 oz. or larger).
- Toss your rinsed beverage containers into your **blue curbside recycling cart** with your other recyclables.

No matter what, you'll be reducing the overall waste you are placing in your garbage can, thereby saving you money and conserving precious resources. For more information on beverage containers eligible for a cash refund, please visit [www.calrecycle.ca.gov/bevcontainer/](http://www.calrecycle.ca.gov/bevcontainer/).

### **Questions?**

Please call the Tehama County Solid Waste Management Agency at

---

528-1103, visit <http://www.tehamacountylandfill.com>  
or email us at [tehamacountyrecycles@co.tehama.ca.us](mailto:tehamacountyrecycles@co.tehama.ca.us).

As always, please **do not forget to recycle!**  
It's good for the County and good for the wallet.
